

Spring Edition

Orchard Valley Spring Fling

The Orchard Valley Homeowners' Association annual Spring Fling will be held in a new location this year at Hounds Blue Moon & Catering at 2124 West Galena Blvd, located across from Aldi food store. The location change has been made in an effort to provide the best options and pricing for residents of Orchard Valley, as well as a scheduling conflict with the Orchard Valley Golf Course Restaurant. The time will remain 4:00pm-7:00pm with the food being served from 4:30pm-6:30pm.

This year's menu will include: Hot Dogs with all condiments (relish, diced tomato, diced onion, sport peppers, ketchup, mustard), Hamburgers of 4oz patties with condiments (lettuce, tomato, onion, ketchup, mustard, American cheese, bun), Bratwurst with condiments (sauerkraut, mustard), and Italian Beef with condiments (bells peppers, Giardiniera, 2 inch bun). Our side dishes this year will feature: Potato Salad, Traditional Coleslaw, Traditional Macaroni Salad, and American Tossed Salad with a choice of Ranch or Light Italian dressing.

As always, each resident will be given two drink tickets towards Domestic Beer and house red and white wines. Soft drinks and coffee are also provided at no cost. Residents may enter to win several raffle prizes when once they arrive and check in. Please remember that those who wish to attend must RSVP will Alpha Management prior to the event and this social function is for Adults only.

YARD WASTE, BRUSH COLLECTION TO START IN APRIL

The City of Aurora yard waste collection begins the first Monday in April, and the pickup is free for the first two weeks.

Residents will not have to use waste stickers from Monday, April 7 to Friday, April 18. Yard waste must be placed in a 30-gallon Kraft paper yard waste bag and not exceed 60 pounds.

Residents are not required to use waste stickers as part of the free unbundled brush collection, which also begins April 7.

Branches and limbs that are 1/2 inch to 4 inches in diameter and 2 to 4 feet in length can be placed at the curb. Brush that is less than 1/2 inch in diameter is considered yard waste. Brush should be placed in neat, manageable piles with the cut side of the limbs facing the street. Tangled and unmanageable piles will not be collected. Brush resulting from commercial tree trimming jobs is the responsibility of the contractor to remove and will not be collected.

Both yard waste and unbundled brush collection take place on residents' regular garbage day and should be placed at the curb by 6 a.m.
