Re: Tree Request

Alderman Carl Franco  
44 East Downer Place  
Aurora, IL 60505

Hello Carl:

Several months ago we expressed our concern about several ornamental trees in some of the cul-de-sacs that have died. This may be the result of disease, but mainly due to the snow that has been dumped in those areas over the past 25 years.

With the efforts of our board member Harold Borg and Tim Forbes from the City of Aurora Street Department, numerous trees were planted this week. Because of your generosity to pay for the cost of a landscaping service, we now have replacement trees at Deerfield Drive, Pebblewood Court, Clovertree Court and Blackberry Ridge Drive.

The OVHA Board members want to express their sincere thank you for responding and helping keep Orchard Valley a great sub-division. In the meantime, we appreciate that you took the time to listen and help and wish you a Happy Holiday season.

Sincerely,

Keith Lanzara  
President
